CHIPOLA NURSERY

WANTS BUSINESS, THEREFORE WILL ENDEAVOR TO PLEASE AND SATISFY ITS CUSTOMERS.

It is a mistake to wait until planting time to send in orders, but send them in before orders are booked ahead of you, as first booked are first shipped out, therefore first shipped are generally best. Don't wait and have to take chances on not getting the best or possibly none, as very often LATE ORDERS CAN NOT BE FILLED.

USE THE ENCLOSED ORDER SHEET and send us addresses of your friends that may want Nursery Stock so that we can furnish them price lists, order sheets, etc.

Enhance the beauty and value of your own property by planting fruit trees, shrubbery, ornamental plants and flowers, and get your neighbors to do the same and thus enhance the value of all property in your vicinity.

Fruits, Shrubbery and Flowers are ASSETS of BEAUTY and Revenue, Health, Comfort and Pleasure, and should not be neglected.

CHIPOLA NURSERY

Is the only nursery in West Florida that can furnish anything in the nursery line wanted.

It has satisfactorily demonstrated and proven that trees grown from West Florida Seed and Stock are hardier, and will stand more cold than those grown farther South. We have demonstrated that by using Seed and Budwood from West Florida trees we have harder plants, and that alone should recommend our stock as Best Suited for West Florida and for any other section.

While we can furnish anything in the nursery line we are making a SPECIALTY of the CITRUS varieties which have proved Best Suited for West Florida, and only the best are raised and great care is taken that only True-to-Name, Healthy and thrifty trees are shipped out.

As this is a new nursery and must BUILD UP BUSINESS it can not afford to ship out any but the best and therefore its patrons can be assured of getting what they order, and of prompt and careful service.
